BUBBLES BY GLASS

CHAMPAGNE	Billecart Salmon		15	99
PROSECCO	Nudo		8	56
FRUCHT SECCO		ALCOHOL-FREE	7	49

If you combine the juice of apple and quince, you get a cuvée

with an impressively full taste that is reminiscent of a matured Riesling.

Van Nahmen Frucht-Secco Apple-Quince is a dry, fruity aperitif with a

0% alcohol and 100% sparkling fruit experience.

JUICE AS MEAL ACCOMPANIMENT

WILD BLUEBERRY JUICE	ALCOHOL-FREE	8	56
----------------------	--------------	---	----

This organic juice from wild blueberries has a dense purple color.

Color with a black core and increased viscosity. The bouquet gives off the scent of

moss, forest ground, a touch of pine needles and resin. The juice has fresh acidity and a medium-strength tannin structure that gives the wine a structured, velvety feel.

The sweetness is subtle and makes the juice look like a strong dry red wine,

which goes well with meat and game dishes. It should be enjoyed pure.
